TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in town affairs:—

You are hereby notified to meet at the Town Hall in said Charlestown, on Tuesday, the ninth (9th.) day of March next at nine o'clock in the forenoon, to act upon the following subjects-

Art. 1. To choose the necessary officers for the ensuing year.

Art. 2. To consider the Budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing highways, building and repairing bridges, and for necessary charges arising within the Town.

Art. 3. To see if the Town will vote to allow the Selectmen to deliver the inventory blanks at the time of taking inventory.

Art. 4. To see if the Town will vote to authorize the Selectmen to borrow on notes on the credit of the Town, such sums of money as may be needed to meet current expenses in anticipation of taxes.

Art. 5. To see what sum of money the Town will vote to raise and appropriate for the purpose of lighting the streets within the Town.

Art. 6. To see if the Town will vote to allow 4% discount on all property taxes paid on or before July 1st. 1937, 3% on or before August 1st. 1937, 2% on or before September 1st. 1937, and 1% on or before October 1st. 1937.

Art. 7. To see what action the Town will take in regard to spreading oil on the village highways within the Town.

Art. 8. To see if the Town will vote to raise and appropriate a sum of money for the care of the trees on the village street.

Art. 9. To see if the Town will vote to raise and appropriate the sum of $400.00 for the purpose of co-operating with the State Forestry Department in regard to White Pine Blister Rust control.

Art. 10. To see if the Town will vote to raise and appropriate the sum of $200.00 for the purpose of graveling the road beginning at the residence of Bert Wallace and continuing east for a distance of one mile.

Art. 11. To see if the Town will vote to discontinue subject to gates and bars the road leading south east from the so-called Drew place, now owned by Vernon W. Rich, to the Acworth line.

Art. 12. To see if it is the sense of this meeting that it is expedient to revise the State Constitution.

Art. 13. To see if the Town will vote to authorize the Selectmen to sell and deed the land known as the New Cemetery in Snumshire so called.

Art. 14. To see if the Town will vote to accept all Trust Funds received during the past year for perpetual care of lots in the Cemeteries.

Art. 15. To see if the Town will vote to accept Eaton Street so called at Riverview, from Wheeler Ave. south 150 feet and gravel same.

Art. 16. To see if the Town will vote to raise and appropriate the sum of $2,805.00 for State Aid Construction, the State to give $2,805.00, money to be expended on the River Road so called, North Charlestown.

Art. 17. To see if the Town will vote to raise and appropriate the sum of $666.23 for Town Road Aid, the State to give $2664.91, this money to be expended on Class V roads.

Art. 18. To see what action the Town will take in regard to the dry bridge so called at the north end of Main Street.

Art. 19. To see what action the Town will take in regard to an increase in the salary of the Collector of Water Rentals.

Art. 20. To see if the Town will vote to instruct the Water Commissioners to enforce the law in regard to shutting off water where rentals are unpaid.

Art. 21. To see if the Town will authorize the Town Treasurer to take $9,000.00 from the sinking fund to retire Water Bonds.

Art. 22. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen, and pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

Given under our hands and seals this twentieth (20th.) day of February, in the year of our Lord, 1937.

J. L. PUTNAM, (Seal)
R. K. WEEKS, (Seal)
H. E. BUSWELL, (Seal)
Selectmen of Charlestown.

A true copy of warrant—Attest:

J. L. PUTNAM,
R. K. WEEKS,
H. E. BUSWELL,
Selectmen of Charlestown.

PWA WATER PROJECT

Receipts

From	
Town of Charlestown	$12,000.00
U. S. Government July 17, First Grant	5,454.50
U. S. Government Oct. 23, Second Grant	2,181.80
Water Dept. advance in anticipation of Final Grant	1,550.00
	$21,196.30

Expenditures

15,802 ft. 6'' cast iron pipe @ 74¢ less freight	$10,445.02
Freight on above and other freight charges	1,286.39
Pay roll	5,955.94
Trucking	75.43
Hydrants and valves	1,406.25
Cast iron fittings	193.19
Copper pipe and fittings	549.26
Lead, jute, and misc. pipe fitting material	666.52
Interest on note during construction (June 11-Nov. 11)	200.00
Tapping sleeve and valve 12''	64.00
Insurance, (liability)	287.58
Corporation cocks and fittings	42.65
Town of Springfield, labor tapping 12'' main	10.54
Kerosene, telephone, telegraph, postage, advertising and other small miscellaneous expenses	13.53
	$21,196.30

As the project under-run the original estimate the final check from the Government which has been received, amounted to $1,827.45 or $277.45 more than was actually expended.

Construction progressed so favorably that we were able to lay about one-half mile more six inch pipe and set

two more hydrants than was originally planned. In addition to this about six hundred feet of one inch copper pipe was laid from the hydrant at George Olden's to below Bert Lawrence house, replacing a three-fourths inch galvanized pipe and about eighteen hundred feet of one inch copper pipe from the cement tub in Snumshire to the residence of Henry Page, thus supplying three additional houses.

LOUIS L. COMSTOCK,

In charge of Construction Finances

	$ 1,527.80

G. C. DODGE, Superintendent

HEALTH OFFICER'S REPORT

With the exception of two cases of scarlet fever there have been no contagious diseases requiring quarantine reported to the Health Officer. There have been numerous cases of mumps, measels, whooping cough and other diseases on which no quarantine is required.

Nearly every month samples of the water supply both the Village and North Charlestown have been sent to the State Board of Health for analysis and with one or two exceptions there has been no criticism. Samples of milk from local milk dealers have been sent several times and in each case the report showed that milk of good quality was being sold.

Samples of water from the local swimming pool was sent to the State Chemist for examination and on advice from him the pool was posted as containing water unfit for bathing.

The report from Elizabeth V. Carriel, Staff Nurse, State Board of Health shows that during the year 1936 in this community there was held one child health clinic at which thirty-five attended. Number of defects found, 35; Number of defects corrected, 9; Number of diptheria immunization clinics held, 1; Number of children receiving treatment, 16. There were no Dental Clinics or Mother's Classes held. The State Nurse reports twenty-six visits made to the Town.

LOUIS L. COMSTOCK, Health Officer

The donors were — Rev. L. C. Reed, Miss Hubbard, Mrs. Herx, Miss Thompson, Mrs. A. H. Sayce, Mrs. Brackett, Mrs. LaMont, Mrs. R. E. Saltmarsh, Mr. W. E. Hunt, Mr. Lawrence Smith, Mrs. Little, The Chemical Foundation, Scribner Co. Atlantic Monthly.

Miss Annable and Miss Pratt of the State Library Commission made their annual visit.

We have been able to buy some new books at this latter end of the year, and we also bought some early in the year with the proceeds of The Old Homestead play that Mr. Eddie Morrill put on for us.

We have a much needed book-case, for the display of new books. Made by Nile Stevens, from wood taken from the discarded grill that was between the hall and stack room.

The State Library Commission are sending us a case of books that can be kept for two or three months, partly fiction, but also biography, travel and useful arts. Come and look them over. They may help solve some of your problems.

AUDITORS' REPORT

We the undersigned Auditors of the Town of Charlestown, have examined the accounts as set forth in the accompanying schedules of the Selectmen, Town Treasurer, Treasurer of the Silsby Free Public Library, Water Commissioners, Town Clerk, Tax Collector, and Trustees of Trust Funds, and other Town Officers, and find them correct.

D. THEO. HOFFMAN,
ALICE E. ADAMS,
CARL A. BUSWELL,
Auditors

February 20, 1937

The following books have been added to the Library during the past year.

We acknowledge here with grateful appreciation the gifts from many who are interested in the Library, also the many books and improvements we have and expect to have due to the interest from the funds left the Library by Mr. C. F. Morse.

It is somewhat difficult in today's transition period to get books considered by everyone to be proper for public reading. There seems to be a tendency among modern writers to represent life as it really is rather than in a merely ideal state, to acknowledge that people are human rather than gods or villains. To those who are concerned about what appears to them as too vividly true to life in portrayal we suggest that instead of keeping the attention focused on the rawness of life we should instead try to get the atmosphere of the life the author is trying to portray and the theme of the story.

We regret to call to your attention the mutilation of many books. If the tearing out of leaves is accidental we

ask you to call attention of the fact to the librarian, bringing the torn leaves with you. They can be mended and the book saved. As for wilful mutilation, the penalty for such is a fine of $50.00 or a prison sentence as can be read on the card holder on the inside of the book. We hope we shall not have to resort to the latter expedient.

C. A. PERKINS,
MRS. HELEN THAYER,
MRS. ANNE WORTHLEY, BookCommittee.

List of New Books.

Under Two Flags	Louisa de la Raime
North to the Orient	Anne M. Lindberg
The Bird's Christmas Carol	Kate Douglass Wiggin

Superintendent's Report

To the Charlestown School Board:—

I hereby submit my seventh annual report as your superintendent of schools.

There was but one change in the teaching force at the opening of school last fall. Miss Anne Eaton had accepted a position at Bethlehem and Miss Ada Perkins, a graduate of Keene Normal School, and an experienced teacher, was placed in charge of the four lower grades at the Farwell School.

Colds or "flu" has kept many pupils out of school, but in spite of this handicap good progress has been made. This success is due in large part to a stability that has been built during years. Both pupils and teachers should be given credit for such develepment, and especially strong has been the good influence of Headmaster Steele, but we must not overlook that great help has come from the wholehearted support for the schools by parents and influential citizens.

The pupils are progressing well in music with the help of their able teacher, Mrs. Steele. The senior high boys and girls, coached by Headmaster Steele, and the junior boys coached by Mr. Lylis, have shown good developed ability and team work at basketball. Submaster Morrill, who has charge of high school plays, has been helped with this work by Miss Child and Miss Bond.

The junior high teachers, Principal Holcomb, Miss Streeter, Miss Bailey, and Mr. Lylis have a well organized school with full supervision of pupils on the grounds as well as in the building. Each of these teachers seem to leave nothing undone that would be a help to the schools.

Both the Farwell School under Miss Smith and Miss Perkins and the South School under Miss Ahern are doing excellent work.

Miss Wright has thirty-three pupils in the second grade and Miss Davis thirty-six in the first grade. While good work is being done in these rooms considering the

number of pupils, there is not time enough for proper drill in reading, nor for enough individual work with those having special difficulty.

If it were not for transportation problems, it might be better to have half of each grade from 8.30 to 10.00 a. m. and from 1.00 to 2.20 p. m. and the rest of the pupils from 10.30 to 12.00 and from 2.40 to 4.00. There would be union recesses from 10.00 to 10.30 and from 2.20 to 2.40. I believe that by such a plan the pupils would make much greater progress than they do at present, and that while the hours would be longer for the teachers, there would be very little more work placed upon them.

There is another plan that might be worked out. If the District could afford to hire someone to supervise the playgrounds of the first and second grades from 10.00 to 11.00 a. m. and from 2.00 to 2.40 p. m., the teachers could send out one-half of their pupils at a time for recess and teach from 8.30 to 12.00 and from 1.15 to 3.30. Perhaps an organization of parents would take turns to supervise the playgrounds. The one difficulty with any plan is that we would have no place for the children in real bad weather.

A number of gifts that have been of great value to the schools are appreciated by pupils, teachers and officials. The playground apparatus installed at the Lower Grade Building, the South School, and the Farwell School was a present from the Charlestown Fair Association. Mr. and Mrs. Fred Huntley gave Charlestown High School a set of Encyclopedia Britannica, loam was given for the surface of the Village grounds, and through the kindness of Mr. and Mrs. Sayce many children were furnished with dinner pails and thermos bottles.

We are all glad to have the school grounds at the Village in good condition. I hope that every citizen of Charlestown will visit the schools while they are in session to observe their children at work, to inspect the buildings, and to see the improvements to the grounds.

In 1921-1922 there were registered in the Charlestown

schools three hundred twenty-eight pupils. The registration decreased until in 1924-1925 there were registered but three hundred eight pupils. Since then the number of registered pupils has increased until this year there will be well over three hundred sixty, but we have only fourteen regular teachers. During this time the number of elementary teachers has been reduced from thirteen to nine.

Although there will be about sixty-six pupils in grades three and four next year, I believe that we will be able to handle the work without extra teachers, but if our first grades continue to hold to thirty-five at the Village we shall be forced soon to have another teacher and provide her with a room. The State would approve another elementary teacher if the District could furnish a standard class-room for the work.

I feel that the Charlestown School Board and the citizens of Charlestown are to be congratulated that through these depressing years they have been able to improve their school property and to place their finances in better condition. During the last ten years the school debt has been reduced from $13,189.00 to $750.00. I hope that the remainder will be paid next year. The high school building has been doubled in size and completely rebuilt. The larger part of the costs for this work came from the Holden funds. The equipment has been improved in every school and department, books are by the best authors, of the latest editions, and clean, and the highest quality of class helps and supplies have been furnished the teachers and pupils. The buildings have been kept in good condition, the grounds graded, cement walks and retaining walls built, modern musical advantages have been given the pupils, and transportation of both high and elementary pupils has been developed to a high standard.

With the aid of the Red Cross, dental work has been furnished the pupils for a number of years. This work has been very satisfactory, but I fear that the Red Cross will not be able to help to any great extent this year. The

Red Cross helps furnish hot dishes for the children who are transported. We need for dental work from $150.00 to $250.00 per year. The District has been raising $100.00 a year for this work. I fear that unless we can find a way to raise funds outside taxation for this very valuable work it will have to be dropped.

I wish to thank the Charlestown School Board for their loyalty and help and the teachers and citizens for their many kindnesses.

Respectfully submitted,

WALTER L. MASON

D with degree.

Every teacher in Charlestown schools has a state certificate.

Music Report

In the fall of 1935, instrumental music was introduced in the schools of Charlestown. Music lessons on all instruments of the symphony orchestra, were given in classes free of charge. As far as is known only one other school in New Hampshire offers instrumental lessons at no expense to the children. Instrumental music was started as an experiment. It was not known how many pupils would take advantage of this opportunity. In the fall of 1935, one hundred and five pupils registered in classes.

The pupils made faster progress than was expected, the result being that at the end of the school year there was an orchestra of forty-four pieces, a band of twenty-two pieces, and a drum-corps of thirty-three pieces.

The object of the drum-corps was to train pupils in rhythm, cooperation, and discipline, and to interest the pupils in instruments for the orchestra and band. The drum-corps serves as an organization by which the pupil may experiment to see whether he is best adapted to percussion, woodwind, or brass instruments. Also to see whether the pupil is at all interested in instruments.

Besides the instrumental music, two glee clubs were formed; one in the senior high school, and one in the junior high school. Both of these organizations participated in the New Hampshire Music Festival which was held in Hanover. These organizations also sang at local affairs.

The band and orchestra, and drum-corps played at local affairs, among which were Memorial Day exercises, Arbor Day, Armistice Day, graduation, and a Music Festival was held last May.

The drum-corps participated in the American Legion State Convention which was held in Newport in September, 1936.

This school year, ninty-eight pupils are enrolled in instrument classes. There is a girls' glee club of fifty-five voices made up of girls from the junior and senior high schools. A boys' chancel choir made up of forty boys

from the fifth grade through the senior high school. There is also a junior high school mixed glee club; and a senior high mixed glee club which consists of a combination of the girls' glee club, and the boys' chancel choir. The orchestra has forty-two members; the band, twenty-seven members; and the drum-corps, thirty-seven members.

This year, the glee clubs, the orchestra, band, and drum-corps will be entered in the New Hampshire State Music Festival which will be held in Claremont on May 14 and 15.

In 1936, two members of the school orchestra were chosen to participate in the New Hampshire All-State Orchestra. These two pupils had taken lessons previous to the introduction of instrumental classes in the school. This year five pupils from Charlestown have been selected. All of these are pupils who started taking lessons in school in the fall of 1935.

This year there will be a New Hampshire All-State Chorus as well as an orchestra. Seven members of Charlestown's glee clubs have been chosen to participate in the chorus.

The music in the grades of Charlestown, North Charlestown, and South Charlestown has consisted of theory, music appreciation, rhythm bands, folk dances, and singing.

I want to take this opportunity to thank the school board and Superintendent Walter Mason for the wonderful cooperation and interest given to this new experiment. Also for making instrumental teaching possible by making a music room, and by the purchase of the drums, bugles, fifes, piano, victrola, and supplies needed.

I also want to thank the American Legion of Charlestown, and Mr. George Dorr for their generous contributions which made it possible for the drum-corps and band to be beautifully uniformed. I also want to thank the D. A. R. for its generous contribution, and to the Athletic Association for the money taken in from the minstrel

show; to Miss Child and the Domestic Science Department for making the uniforms for the drum-corps and band; and to Mr. Lylis and the Manual Training Department for all the work done in the music room.

Respectfully submitted,

VANDA S. STEELE

Express charges, transporting score board from Oklahoma to Charlestown		10.07
Wall outlet at Town Hall, Mr. Horton		3.00
Paint for frame and advertisements		1.70
Ply-wood for advertisements, cover and box to lock electric control switch		1.40
Two Corbin locks @ 50¢ and 85¢		1.35
Paint brushes		.45
Telegram and telephone calls		.75
Lettering of advertisements by Dana Olden		5.00
	$	68.72
Total Receipts, up to February 13, 1937	$	73.25
Total Expenditures		68.27
Amount over expenses at the present time	$	4.98

Charlestown, N. H.
February 8, 1937

In behalf of the Charlestown High School Athletic Association I wish to take this opportunity and thank Dr. O. C. Young, who has examined, free of charge, all members of the Junior and Senior High School basketball squads for the past five years. Dr. Young has also attended injured players during these five years and his professional services have always been willingly donated to our school children.

To Mr. James Davidson, who has made possible the the most modern and comfortable means of transportation for our basketball squads, I express the sincere appreciation of all members of the Athletic Association.

The use of our Town Hall, so thoughtfully made possible by the townspeople and the cooperation always

shown by the Board of Selectmen, is appreciated.

Many favorable comments have been made by visiting teams relative to the seventeen basketball jackets, purchased with the money given to the Athletic Association by the Charlestown Fair Association last year.

Last year the Athletic Association purchased a piano for the Town of Charlestown and this year, as an expression of appreciation, the Athletic Association has purchased a 1937 R. C. A. Victor Radio and presented this instrument to the Charlestown Schools. This radio was purchased from Mr. Richard Perry of Charlestown, the authorized dealer.

A noticeable decline in the sale of season tickets was experienced during the present basketball season. Only forty dollars was realized from the sale of season tickets; last year we sold over sixty dollars worth of basketball season tickets. Last year our basketball team played Brattleboro High School and received a guarantee of thirty-five dollars. This amount helped increase our treasury noticeably. It was not possible to arrange a game with Brattleboro High School this year.

Charlestown High School installed the most modern All Electric Basketball Score Board that is manufactured. This investment will be used for many years and was made possible by friends in Charlestown, Springfield, Bellows Falls and Claremont.

The members of the Athletic Association wish to thank Mr. and Mrs. Fred Huntley for the annual banquet they have so generously given to the members of the basketball squads.

At the suggestion of the Charlestown School Board the money cleared from our last Minstrel Show, ($70.03), was turned over to the Music Department because this organization staged the entire production. This plan was very satisfactory because it made possible the purchasing of necessary equipment and the financing of transportation for the Charlestown Drum-Corps, Charlestown Junior High Glee Club and the Charlestown Senior High Glee

Club members to the State Music Festival, held at Hanover, N. H. last May. From this account two members of Charlestown High School were transported to Hanover, N. H. the day before our Drum-Corps and Glee Clubs left, in order that they could play in the All State Orchestra. This organization financed the transporting of the Drum-Corps, last September, to Newport, N. H. in order to participate, as a non-competing unit at the New Hampshire American Legion Convention. This was our way of expressing our appreciation to the members of the Charlestown American Legion for their assistance when the Drum-Corps was in the first stages of its formation. I wish to thank the members of the D. A. R. for their assistance, in the form of a donation, to the Drum-Corps.

In behalf of the Athletic Association, I wish to thank Mr. Lylis for all the work that was done under his supervision, relative to installing our Electric Basketball Score Board and the making of a suitable frame for placing advertisements around this Score Board.

To Dana Olden, the Athletic Association is very grateful for the printing of all advertisements that appear on the Score Board.

Baseball has been supported entirely from funds received from the basketball games.

A playground league, consisting of four teams, was started last year and pupils from the sixth grade through the high school enjoyed this new and popular sport. Two games a week were played and each game was under the direct supervision of Mr. Lylis and me.

To the Charlestown School Board, Superintendent Mason and all townspeople who have in any way assisted in making possible the purchasing of equipment and supplies, and providing modern bus transportation for members of all our athletic teams, I am sincerely grateful.

Respectfully submitted,

WILLIAM H. STEELE, Treasurer
Charlestown High School Athletic Association
